### Program Policies/Behavior Rules

It is very important that your child(ren) is/are capable of understanding the importance of following the rules, policies, procedures and safety guidelines of the program. In order to protect your child and other children in the program, we reserve the right to refuse our services to any participant who cannot follow the health and safety guidelines or who endanger themselves, other participants or staff of the program. Children must be able to check in at the program (in the gym) after school and remain with the other children and staff throughout the day.

In order to maintain a safe and enjoyable environment for your child, the Lake Havasu City Recreation will implement the following 5 behavior rules:

1. Keep your hands, feet and unkind words to yourself.
2. Listen and follow all directions the first time.
3. Walk for safety unless you're in a supervised game/activity.
4. Speak softly. Remember to use your inside voice.
5. Stay with your squad.

If a child acts in a manner which may harm school property or other children, he/she may be suspended from the program without any warning steps. Seriously disruptive behavior, including theft, damage to school property, causing or threatening harm to other children or staff, or racist behavior or language may result in automatic suspension without prior warning.

It is the responsibility of the parent to pick up participants on time at the end of the scheduled day if the child is not allowed to walk home. Your child will never be left alone at the school due to late pick up however, you will be charged \$5 for every 15 minutes you are late.
